

This Train used to go thru Soissions France every day. and runs thru here occasionally now - at Namur Belgium

FRONT COVER

T/5 C.E. McKenny,
Brownstown, Ind.,
(B&O), of 759th Co.
"A" surveying crew,
taking a sight for
a bridge construction
job. (Moore)

The famous "Toot Sweet Special" inaugurated by the 2nd MRS is pictured above. Running daily from the port of Cherbourg to the front, this high priority train was brought to the railhead closest to the combat troops in record time.

(AFS Photo)

In the picture at the right, a soldier of the 26th Division is examining the empty turret of a German Tiger tank, knocked out on a railway car in the freight yards at Besch, Germany. Notice how the carriage has cracked under the strain. (U.S. Army Signal Corps Photo).
